Say What?: The Weird and Mysterious Journey of the English Language

Gena K. Gorrell

Say What?: The Weird and Mysterious Journey of the English Language Gena K. Gorrell
More than a million words, weird spellings, words that are spelled the same but pronounced differently or vice versa. Where on Earth did the English language come from? The answer is that English isn't just the speech of one nation. It's the memory of thousands of years of history. It tracks the places people came from, the places they went, the adventures they had, the friends and enemies they made, the battles they won and lost.

As English changed and grew, it became a jumble of sounds, words, and rules from countless languages and nations. And it's still changing and growing every day. More than seventy percent of all English words were born someplace other than England. That's why English can be so confusing and inconsistent. And that's why English is the richest, most international, and most versatile language in the world.

This innovative book takes us on a journey through time to unravel and demystify the story of English. Word games, intriguing facts, and tricky quizzes add an element of fun while enriching readers' knowledge and understanding.

From the Trade Paperback edition.
