Breve Historia de las Doctrinas Cristianas (Spanish Edition) Justo L. González

Este libro es una introducción a las doctrinas básicas cristianas, el contexto histórico en que surgieron y la continua importancia que tienen para la creencia y práctica cristiana actual.

El Dr. Justo L. González una vez más nos muestra su habilidad para interpretar las creencias (doctrinas) e historia de la iglesia. En este libro, expone las respuestas a tres preguntas fundamentales para entender la tradición cristiana. La primera es: ¿cuáles son las doctrinas cristianas básicas? ¿Qué ideas y convicciones forman el corazón de la identidad cristiana? La segunda es: ¿De dónde provienen esas doctrinas? ¿cuáles son los contextos históricos en que comenzaron a destacar? La tercera, ¿qué significan estas doctrinas en la actualidad? ¿Qué reclamos siguen poniendo a la creencia y práctica cristiana en el siglo veintiuno?

Escrito con la claridad y entendimiento por los que el Dr. González es conocido, Breve Historia de las Doctrinas Cristianas servirá a estudiantes que estén tomando cursos de historia de la iglesia, teología histórica y teología sistemática en universidades, seminaries o facultades de teología.

Translated from the English version published in January 2006, this book is an introduction to the core Christian doctrines, the historical context in which they arose, and their ongoing importance to contemporary Christian belief and practice.

Justo González has long been recognized as one of our best teachers and interpreters of the church's belief and history. In this new volume he lays out the answers to three questions crucial to understanding the Christian tradition: First, what are the core Christian doctrines? What ideas and convictions form the heart of Christian identity? Second, where did these doctrines come from? What are the historical contexts in which they first rose to prominence? How have they developed across the history of the church? Finally, what do these doctrines mean today? What claims do they continue to place on Christian belief and practice in the twenty-first century?

Written with the clarity and insight for which González is famous, A Short History of Christian Doctrine will serve the needs of students in church history, historical theology, and systematic theology classes in college/university settings, as well as seminaries/theological schools.
