Kelly was shocked when her Caucasian Ovcharka, Xena, bonded with Rick Latrobe. The dogs are known for linking with only their owners. She's even more shocked at the intense sexual heat that sizzles between her and Rick. When she tumbles into bed with him at the very first opportunity, experiencing a night of erotic bliss in his arms, she knows they have something special. But Xena is very much aware when an attempt is made on Rick's life, and the dog drives Kelly crazy with signals of danger. Rick is nearly killed and Kelly and Xena are ferried to the secret clinic where he's recovering. As Rick heals and they race to find the mastermind behind the attempted murder, the lust between them heats to the boiling point.
