Or that a female mathematician's work laid the foundation for abstract algebra?

*Her Story* is a one-of-a-kind illustrated timeline highlighting the awesome, varied, and often unrecognized contributions of American women throughout U.S. history, beginning in the 1500s and spanning all the way through 2011. The women featured in *Her Story* range from writers, artists, actors, and athletes to doctors, scientists, social and political activists, educators, and inventors, and come from all backgrounds and philosophies. *Her Story* is a captivating look at America's often unsung female champions that will resonate with women and men alike.
