Horace Logan, Bill Sloan

Louisiana Hayride Years: Making Musical History in Country's Golden Age Horace Logan, Bill Sloan
From 1948 to the late 1950s, Horace "Hoss" Logan produced the *Louisiana Hayride*, a weekly country music show broadcast on CBS Radio. The Hayride was known as the "Cradle of the Stars" for building many country music careers, and for introducing the young Elvis Presley to a national audience. Horace Logan's memoir "brings the old show back to life," as Hank Williams Jr. says--from Johnny Cash and Presley to George Jones, Johnny Horton, Faron Young, Jim Reeves, Willie Nelson, and many more. As producer, emcee, and friend to the *Hayride* performers, Logan gives us a personal look into musical history in the making. Complete with sixteen pages of rare onstage and behind-the-scenes photographs, *Louisiana Hayride Years* brings to life the early days of modern country music and the people who gave the *Hayride* a permanent place in popular musical culture.
