Objetos y animales, ¡menuda vida! (Spanish Edition) Patricia Haro

En este conjunto de relatos se desgranán la vida y peripecias de una serie de objetos y singulares animales que nos rodean diariamente en la sociedad actual. Todos hemos imaginado alguna vez que los libros, percheros, zapatillas, electrodomésticos que comparten nuestro hábitat poseen una conciencia e identidad propias y que, en nuestras ausencias, se relacionan entre sí. Esta es la oportunidad que habíamos estado esperando para conocer sus aventuras. Seremos testigos, entre otras historias, de la ruptura amorosa entre una pluma y un tintero, del intento de suicidio de una hoja de papel en el interior de una antigua lavadora de la Alemania Oriental o la aventura de un pulpo catalán en el interior de un libro-ciudad de agua.
