The Pig Scrolls Paul Shipton

"Filled with wild adventures, bad puns, and classical allusions, this slapstick sheds light on the gods, heroes, and philosophers of antiquity." — THE HORN BOOK

Behold Gryllus, sarcastic former crewman of Odysseus, changed by Circe into a swine — and happy to stay that way. Life is just fine until the prophetess Sibyl tells him that the world's in grave danger and that the only one who can save it is . . . a talking pig. Well, fan-bloomin'-tastic! Full of nonstop action and oddly familiar characters, from a lyrestrumming poet to the testy gods and goddesses, this comical quest will tickle young readers and earn a place on teachers' and librarians' shelves.
