Miles has spent her whole life in the shadow of her cousin Laura. Laura is the golden one—smart, gorgeous, rich, and popular—while Miles considers herself the unwanted one—an unattractive, underachieving social outcast. As far as Miles is concerned, Laura has the perfect life...until Laura commits suicide, leaving Miles lost the wake of the event. Losing Laura shatters Miles and sets her on a dangerous downward spiral. When she hits rock bottom, Miles must make a choice: She can escape from it all, just like Laura did, or she can look for strength in herself and in those she didn't believe cared about her, and try to find a reason to live.
