Love! Heartbreak! Homeroom! This collection of real junior high school love notes from an incorrigible recess Romeo captures the high drama, low gossip, and emotional rollercoaster ride of dozens of youthful romances. Intricately folded and secretively passed under desks in the 1970s—to and from his best friend and his many, many girlfriends—these notes lay bare the triumphs and tragedies of young love, from the thrilling promise of TLA (True Love Always) to the devastating letdown of "let's be friends" (with maybe a quick trip to Make Out City). Also included are a note-speak decoder (SSS: Sorry So Sloppy) and a handy diagram for folding a triangunote—the only way to pass notes to your beloved of the week. In the cynical era of the "elimidate," *2gether 4ever* is a sweetly hilarious reminder of a time, and an age, when it was okay to wear your heart on your sleeve.
