Badger's Fancy Meal Keiko Kasza

Badger just can't face eating the same old apples, worms, and roots. They're too boring! He dreams of eating something new and fancy. Badger gets some yummy ideas from seeing the animals who live near his den, but the main ingredients he tries to catch aren't so eager to become his lunch. And in the end, they unwittingly convince Badger that he should have appreciated what he had in the first place.
