## **Project de restauration de Notre-Dame de Paris (French Edition)** Jean-Baptiste Lassus

Considérations générales sur le système de la Restauration. MONSIEUR LE MINISTRE, En nous chargeant de la rédaction du projet de restauration de la cathédrale de Paris, nous ne nous sommes dissimulé, ni l'importance de la tâche que vous vouliez bien nous confier, ni la gravité des questions et des difficultés que nous aurions à résoudre. Dans un semblable travail on ne saurait agir avec trop de prudence et de discrétion; et nous le disons les premiers, une restauration peut être plus désastreuse pour un monument que les ravages des siècles et les fureurs populaires! car le temps et les révolutions détruisent, mais n'ajoutent rien. Au contraire, une restauration peut, en ajoutant de nouvelles formes, faire disparaître une foule de vestiges, dont la rareté et l'état de vétusté augmentent même l'intérêt
