## All Day and a Night: A Novel of Suspense (Ellie Hatcher Book 5) Alafair Burke

A new murder case with ties to a convicted serial killer leads Detective Ellie Hatcher into a twisting investigation with explosive and deadly results in this superb mystery from the “terrific web spinner” (*Entertainment Weekly*) Alafair Burke.

When psychotherapist Helen Brunswick is murdered in her Park Slope office, the entire city suspects her estranged husband—until the District Attorney’s office receives an anonymous letter. The letter’s author knows a chilling detail that police have kept secret: the victim’s bones were broken after she was killed. Her injuries were eerily similar to the signature used twenty years earlier by Anthony Amaro, a serial killer serving a life sentence for his crimes. Now, Amaro is asking to be released from prison, arguing that he was wrongly convicted, and that the true killer is still on the loose.

NYPD Detectives Ellie Hatcher and JJ Rogan are tapped as the “fresh look” team to reassess the original investigation that led to Amaro’s conviction. The case pits them against both their fellow officers and a hard-charging celebrity defense lawyer with a young associate named Carrie Blank, whose older sister was one of Amaro’s victims. As both the NYPD and Amaro’s legal team search for certainty in years of conflicting evidence, their investigations take them back to Carrie’s hometown and secrets left behind there. And when Carrie falls victim to a brutal attack, Hatcher knows that the young attorney got too close to the truth.
