This book is essential for anyone who needs to write clear, concise letters, memos, reports, proposals or other business documents. A complete self-study program in a handy workbook format, it provides the same practical techniques and strategies Advanced Communication Designs instructors have taught to business and professional people since 1980. PROFESSIONAL WRITING SKILLS includes techniques for getting started, conveying the main point clearly, selecting and organizing information, using the right tone, using active, jargon-free language, and eliminating unnecessary words. Filled with practice exercises with immediate feedback, the book can be used for self-study or as the text for a class.
