Softbox Lighting Techniques: For Professional Photographers Stephen Dantzig

Softboxes—specialized photographic lighting devices that produce a flattering and soft, low-contrast look—are the main focus of this resource for photographers. Professional and amateur photographers alike will be able to apply the thorough explanations on the simple, yet highly effective, light- and shadow-altering methodologies found in this guidebook to any subject matter in portrait, fashion, and editorial images. Additional chapters cover the use of softboxes in partnership with other light sources, including sunlight and various types of studio lighting treatments.

From reader reviews:

Warren Damron:

Playing with family in a very park, coming to see the ocean world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Softbox Lighting Techniques: For Professional Photographers, it is possible to enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its called reading friends.

Tonya Hooper:

Does one one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Attempt to pick one book that you never know the inside because don't evaluate book by its cover may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer may be Softbox Lighting Techniques: For Professional Photographers why because the excellent cover that make you consider regarding the content will not disappoint anyone. The inside or content is actually fantastic as the outside or perhaps cover. Your reading sixth sense will directly guide you to pick up this book.

Anna Wright:

You may spend your free time to study this book this reserve. This Softbox Lighting Techniques: For Professional Photographers is simple to deliver you can read it in the area, in the beach, train and also soon.
