The Vagina Monologues Eve Ensler

A poignant and hilarious tour of the last frontier, the ultimate forbidden zone, *The Vagina Monologues* is a celebration of female sexuality in all its complexity and mystery. Hailed as the bible for a new generation of women, it has been performed in cities all across America and at hundreds of college campuses, and has inspired a dynamic grassroots movement - V-Day - to stop violence against women. Witty and irreverent, compassionate, and wise, Eve Ensler's Obie Award-winning masterpiece gives voice to real women's deepest fantasies and fears, guaranteeing that no one who hears it will ever look at a woman's body, or think of sex, in quite the same way again.

"I am so pleased to present this just-recorded audio edition of my play for people to hear in America and around the world," Ensler said. "Often during my travels performing and in discussions about *The Vagina Monologues*, many people have asked me to make a recording so that they could listen to it again and again. With the online introduction coming just before V-Day 2001, it also means a lot to me that the audible.com sales of *The Vagina Monologues* will help support the expanding movement to stop violence against women."
