## **Hiker's Guide to Wyoming (A Falcon guide)** Bill Hunger

The first hiking guide to the entire state of Wyoming with its rugged mountains, high plains, desert prairies, and canyonlands, presents hikers with a spectacular array of backcountry opportunities. Many areas, from Yellowstone and Grand Tetons national parks to the Wind River Range, are well-known, but they represent only a fraction of the hiking possibilities in Wyoming. "The Hiker's Guide to Wyoming", the only guide to the entire state, covers the well-known areas but also introduces hikers to some of the state's best-kept backcountry secrets.
