Keating: The Inside Story

John Edwards

Keating: The Inside Story John Edwards

Although he was at the forefront of Australian political life for some 13 years, Paul Keating has remained mysterious. This biography looks at the Prime Minister who did things his way, and who was not afraid to tackle the big issues, such as the economy, Aboriginal relations and the republic. Using confidential documents, policy files, and interviews with Keating, the author examines the world of Treasury and the Department of Prime Minister and Cabinet and explores one man's controversial methods of running the country.
