**Superheroes and Philosophy: Truth, Justice, and the Socratic Way (Popular Culture and Philosophy Book 13)** Tom Morris, Matt Morris

The comic book narratives of superheroes wrestle with profound and disturbing issues in original ways: the definitions of good and evil, the limits of violence as an effective means, the perils of enforcing justice outside the law, the metaphysics of personal identity, and the definition of humanity.

Superheroes and Philosophy tackles these and other philosophical questions in an intellectual yet engaging way suitable for any comic book fan.
