The Home Office Planner Barty Phillips

The Home Office Planner is an essential purchase for anyone wishing to design a home office, or for those who just want to give their existing one a new lease of life. The book guides the reader through every aspect of office planning and design in an inspirational, practical and affordable way. Succinct charts help you decide how to plan, while the unique self-adhesive stickers and grid allow you to construct an accurate layout drawing. The special 16-page split section on office styles lets you experiment with colour matches and different designs of office furniture before you buy. The main section of the book has ideas for creating different types of home office, including dual-purpose home offices, dedicated home office spaces and awkward home office spaces. The final section helps you choose the individual elements within your home office, including worksurfaces and floors, office lighting, and office technology.- An "interactive" kit that includes unique layout grids and re-usable peel-off stickers to help you plan a successful home office space - Features a 16-page split section for mixing and matching colours and styles - Provides comprehensive and up-to-the-minute information on choosing and designing a home office to match individual needs - Includes practical advice on choosing office equipment, plus a comprehensive directory of suppliers
