When Joss Met Matt: A Novel Ellie Cahill

In the tradition of New Adult superstar Jessica Sorensen, Ellie Cahill's debut novel is a charming friends-with-benefits story . . . with a twist!

What if after every bad breakup, there was someone to help “cleanse your palate”—someone who wouldn’t judge you, who was great in bed, someone you were sure not to fall in love with? “Sorbet sex” could solve everything—as long as it never got too sweet.

Joss and Matt have been friends since freshman year of college, meeting one night after Joss is dumped by her boyfriend. After a few drinks, Matt humors her with a proposition: that he’ll become her go-to guy whenever she needs to heal a broken heart. In return, she’ll do the same for him. The #1 Rule: They’ll never fall in love with each other. People scoff at the arrangement. But six years later, Joss and Matt are still the best of friends . . . with benefits.

Through a string of boyfriends and girlfriends—some almost perfect, some downright wrong—Joss and Matt are always there for each other when the going gets tough. No strings. No attachments. Piece of cake. No problem. After all, since they wrote the rules, surely they can play by them. *Or can they?*

Advance praise for *When Joss Met Matt*

“Hands down, one of my favorite New Adult reads . . . Ellie Cahill is definitely one to watch!”—***New York Times* bestselling author Cora Carmack**

“This is one of those books that make you forget everything around you. Prepare to be consumed by this story.”—**Sophie Jordan, *New York Times* bestselling author of *Wild***

“Fun, sexy, and full of amazing chemistry, *When Joss Met Matt* is an entertaining escape that will leave you smiling with every turn of the page.”—**Cassie Mae, author of *The Real Thing***
