DOWNRIVER is the story of the magnificent Yellowstone River, the last major free-flowing river remaining in America, from its headwaters in the Absaroka Mountains of Wyoming to its confluence with the Missouri River in North Dakota. Blending ten years of experience rafting and hiking along the river's 700 length with tales of the rich historical pageant enacted there and stories about the colorful characters who live and work in Yellowstone basin today, Dean Krakel creates a timeless chronicle of the American West.
