Fading Starlight Kathryn Cushman
**When Her Big Shot Blows Up on Her,
How Far Will One Woman Go to Regain Her Dream?**

Lauren Summers is in hiding. Her fashion house internship was supposed to launch her career, but a red carpet accident has left her blackballed. The only job she can find comes with little pay, but at least it offers a free place to live--a run-down cottage in the shadow of a cliff-side mansion. Planning to live on savings until she figures out what's next, she's unprepared to be contacted by a reporter.

Kendall Joiner is researching Charlotte Montgomery, a former Hollywood ingénue who lives a reclusive life in the cliff-side mansion. Rumors have swirled for decades about Charlotte, and now Kendall wants to find the real story. In return, she may just have the key to getting Lauren back into the fashion world. Desperate to restore her dreams, Lauren's not sure she can turn down the offer--but as she and Miss Montgomery get to know more about each other, Lauren realizes nothing is quite as it seems.

"An inspiring plot that brims with Old Hollywood suspense, vintage fashion and modern frustrations."--**RT Book Reviews**
