## **Gaia (Fantasy) (Italian Edition)** Massimo Bruno Antinori

Pat Dunley sale sul treno per fare ritorno a casa come ogni giorno, ma questa volta il viaggio non si concluderà come le altre volte e Pat non arriverà mai a casa. Per lui inizierà un viaggio straordinario che lo porterà in luoghi al di fuori di ogni immaginazione, dove ciò che conosciamo non ha più valore. Insieme a incredibili personaggi come Samantha, la donna senza volto, Barix, il mago, Billot l'alligatore sapiente e altri, Pat incomincerà una nuova vita dove anche la più semplice delle cose di tutti i giorni potrà diventare un ostacolo invalicabile e dove la domanda più semplice - chi sono io? - potrebbe rimanere senza risposta. Riassumere in poche parole l'opera prima di Massimo Bruno Antinori sarebbe riduttivo. Di certo Gaia, romanzo che riesce a mixare con spregiudicatezza echi fantasy, mitologia greca e ricerca archeologica è un'opera insolita nel panorama della narrativa italiana contemporanea.

In un vertiginoso susseguirsi di salti temporali e geografici, Antinori riesce a creare un'opera lussureggiante nella quale avventura, mistero, colpi di scena e improvvise rivelazioni si susseguono senza soluzione di continuità.

L'universo è veramente infinito come tutti affermano? Il Big Bang è stato un evento naturale? Chi erano veramente i grandi personaggi storici su cui tuttora sono basate tuttora tutte le religioni mondiali e quali segreti nascondono? Queste sono solo alcune delle domande che Gaia pone al lettore il quale, seguendo il labirintico filo d'Arianna della storia, troverà le (fantastiche) risposte che cerca.

Edito da Bibliotheka Edizioni.
