100 Years of the Isle of Man TT: A Century of Motorcycle Racing - Updated Edition covering 2007 - 2012 David Wright

Run over the everyday roads of the Isle of Man for over 100 years, the world-famous Tourist Trophy races have gripped the imaginations of successive generations of motorcyclists. From the earliest days of single-speed, belt-driven machines delivering 5 bhp, to the highly developed projectiles of today offering a fearsome 200 bhp, race fans have thronged the roadside banks and watched in awe as the best racing motorcyclists in the world rode the fastest machines of their day around the twists, turns and climbs of the 374 mile Mountain Course, all in pursuit of a coveted Tourist Trophy. This new updated edition covering the 2007 - 2012 races, reveals the event's colourful history through the high-speed activities of great riders such as the Collier brothers, Geoff Duke, Mike Hailwood, Giacomo Agostini, Steve Hislop, Joey Dunlop, John McGuinness and many others. It also looks at the machines and mechanical developments and race organisation, plus the financial rewards and commercial interests; setting them all in the context of the triumphs and tragedies of a great sporting event that has seen average lap speeds rise from 40 mph to over 130 mph. Written in an easy style, this book reveals the Manx TT's colourful history through its great riders, machines, mechanical developments and race organisation and is superbly illustrated with over 250 colour photographs.
