Inspiration and The Overself: Notebooks: Volume 14 (The Notebooks of Paul Brunton) Paul Brunton
Nearly everyone has brief moments of exalting communion with his or her own divine Soul and its finest possibilities: This book shows how to make the most of those moments; how to recognize, develop, test, and follow through on intuitions; how to contact the source of inspiration and make its vitalizing power a continuous presence. One of the most poetic and beautiful sections of The Notebooks, it explores the paradoxical nature of the Overself--where our human and divine natures meet and mingle.
