Pearson's Canal Companion: Cheshire Ring & South Pennine Ring (Pearson's Canal Companions)

Michael Pearson

The Canal Companions have been chugging along the cut for over thirty years; conveying facts and figures, insight and entertainment, wit and wisdom: from Brentford to Burcough, from Shardlow to Sharpness, from Tipton to Todmorden. All manner of folk have been encouraged to explore the inland waterways using these guides, which have become as much a part of tradition as their subject matter. This 10th edition of Cheshire Ring focusses on two circular routes: the justifiably popular Cheshire Ring, and the as yet, not quite so well known South Pennine Ring (new coverage in this guide). Over 200 miles of characterful canals in the north of England are expertly interpreted to inspire discovery, on foot, afloat or by bicycle.
