Raising Dough: The Complete Guide to Financing a Socially Responsible Food Business Elizabeth Ü

More and more entrepreneurs are using food-based businesses to solve social and environmental problems - and yet the majority of them report that a lack of access to capital prevents them from launching, maintaining, or growing their ventures. *Raising Dough* is an unprecedented guide to the full range of financing options available to support sustainable food businesses.

Raising Dough provides valuable insights into the world of finance, including:

- Descriptions of various capital options, including traditional debt and equity, government grant and loan programs, and cutting-edge models such as crowdfunding and community-based alternatives
- Guiding questions to help determine which capital options are the most appropriate given the size, stage, entity type, growth plans, mission, and values of an enterprise
- Case studies and testimonials highlighting the experiences of food system entrepreneurs who have been there before, including both success stories and cautionary tales
- Referrals to sources of capital, financiers, investor networks, and other financial resources.

Written primarily for people managing socially responsible food businesses, the resources and tips covered in this book will benefit social entrepreneurs - and their investors - working in any sector.

So there is no in reading a book especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss it! Just read this e-book kind for your better life along with knowledge.

Mario Davis:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.

So , this Raising Dough: The Complete Guide to Financing a Socially Responsible Food Business can make you truly feel more interested to read.
