A Risk Worth Taking Melissa Klein

The mother of the groom has three duties: show up, shut up, and wear beige. So why is Abby Roberts agreeing to a second dance with the bride's older brother, much less kissing him? After years of playing it safe, she's ready to expand her horizons--even accepting a teaching job in London--but is she ready for a sexy new man in her life? Grant Davis agreed to walk his sister down the aisle, never expecting the groom's mother to awaken passionate feelings he thought buried. Since his divorce he's focused on his business and taking care of his daughter's special needs. But something about the way Abby holds her own makes him think this is a woman he wants to know better. With Abby's departure looming, Grant has to work fast. Can he convince her to let go of past mistakes and take a risk on love?

This is a new release of a previously published edition.
