*Morgan Rhodes*

**Gathering Darkness: A Falling Kingdoms Novel** Morgan Rhodes  
**War brought them together. Love will tear them apart.**

*Alliances form across Mytica and beyond as royals and rebels alike race to hunt down the Kindred—the four elemental crystals that give their owners god-like power. The stakes have never been higher for Magnus and Cleo, who are brought together by a life or death decision that will lock their fates and change the course of the kingdom forever.*

**THE REBELS** forge ahead. **Princess Cleo** slays with sweetness—and a secret that might control Lucia's magic—as she and vengeful **Jonas** lead the hunt for the all-powerful Kindred.

**THE KRAESHIANS** join the fray. **Ashur** and **Amara**, the royal siblings from the vast kingdom across the Silver Sea, prove to be just as ruthless as they are charming as they manipulate their way to victory.

**THE WATCHERS** follow **Melenia** out of the Sanctuary. They ally, in the flesh, with **King Gaius**, who vows to use **Lucia's** powers to unveil the Kindred.

*And which side will Prince Magnus choose, now that everyone he's been betrayed by everyone he's ever loved?*
