LUCIFERIAN WITCHCRAFT - Azal'ucel Edition Michael W. Ford

For more than a decade left hand path and dark withcraft expert Michael W. Ford has labored in the forbidden fields of the dark side of the occult, lit by the pale moon of Luciferian ambition and Satanic drive. The first editions of most of his works are disappearing into private libraries of occult collector's items-and their prices are increasing enormously. With this fact in mind, Luciferian Witchcraft gathers together in one huge compendium many of the shocking rituals and bizarre initiation rites of black magick that have established Ford as the most cutting-edge exponent of the left hand path tradition in America today. The book begins with a lengthy and highly scholarly exposition of the place of the Draconic adversary within historical magick. This totally unique, enormous tome, available now!
