The Billionaire's Secret Desire

Billionaire Alex Roeg is used to women throwing themselves at him. Young, gorgeous, and the owner of a major conglomerate that just keeps growing, he is everything that money-hungry socialites would want in a trophy husband. He just doesn't want to be one. What he needs is a woman who can pretend to be his girlfriend and deflect unwanted attention away from him so he can focus on his acquisitions and running his empire.

Mary Bright is a struggling aspiring writer who wants more than anything to get out of the rut she is in and actually achieve her dreams. After meeting Alex in a hotel bar where she pretended to be his date to dissuade the wife of a colleague from trying to get too friendly, the hot billionaire offers her the position of a lifetime. He will make sure she has plenty of money to quit working and focus completely on her writing, all she has to do is pretend to be his girlfriend at social and corporate events.

As their fake relationship moves forward Alex finds himself wishing there was more to it. After discovering a journal filled with all of Mary's fantasies and hottest secret desires, he goes to work using that information to get closer to finally having his own secret desire...
