Spiritwalker: Messages from the Future Hank Wesselman

"I am about to tell you a most unusual story, a chronicle of something that happened to me while I was living on the flank of an active volcano on the island of Hawai'i. I'm a scientist. I mention this because I do not feel that I was in any way predisposed for what was about to occur. In fact, my scientific training would seem to have preprogrammed me against such an experience." -- From Spiritwalker

The astonishing true story of an anthropologist's quest into a spiritual world of magic, mysticism, and meaning.

Not since Castaneda's tutelage under the Yacui Indian guide Don Juan has there been a spiritual autobiography quite like *Spiritwalker*.

Hank Wesselman's incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away as particularly vivid dreams, but which grew increasingly intense and insistent, ultimately propelling him on twelve fantastic journeys across time and space. Over the next three years, his journeys proved to be far more important than mere reason could explain. Eventually, Dr. Wesselman became convinced that he'd been granted a visionary encounter with what tribal people from millennia past have called the "spirit world."

During his epic travels, Dr. Wesselman met shape-shifting entities, spirit helpers, and guardians, and found himself traversing a mental, physical, and spiritual landscape on a path intersecting that of a fellow traveler, a Hawai'ian kahuna mystic named Nainoa. Five thousand years into the future, Nainoa had been sent by his Chief on a journey into what used to be America, a once-powerful land of machines and magic, from which no previous voyagers had ever returned. What did Nainoa seek from Dr. Wesselman? What did the anthropologist have to learn about his own world from this exotic traveler from another time and place? Together, scientist and mystic are initiated into knowledge of non-ordinary levels of reality and given foreshadowings of imminent environmental, political, and spiritual challenges to their civilization. Without abandoning his scientific objectivity, Dr. Wesselman abandoned himself to the mystical, sometimes frightening, yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness. The result is a fascinating and suspenseful adventure, an exciting and important archeological discovery, and the story of how a hard-headed scientific-realist stumbled on an important piece of the puzzle of human evolution.

Socially urgent and disturbingly prophetic, *Spiritwalker* has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world, our reality, and our future.

From reader reviews:

Michelle Carlson:

What do you about book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question simply because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this Spiritwalker: Messages from the Future to read.

Virginia Swain:

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want have more knowledge just go with education books but if you want feel happy read one using theme for entertaining including comic or novel. The actual Spiritwalker: Messages from the Future is kind of book which is giving the reader capricious experience.

Miranda Durkee:

Would you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try to pick one book that you find out the inside because don't ascertain book by its handle may doesn't work at this point is difficult job because you are scared that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer might be Spiritwalker: Messages from the Future why because the amazing cover that make you consider with regards to the content will not disappoint anyone. The inside or content will be fantastic as the outside or perhaps cover. Your reading 6th sense will directly show you to pick up this book.

Donald Shelton:

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Spiritwalker: Messages from the Future can make you truly feel more interested to read.
