Behind Closed Doors Lannytha Henderson

Kendall Harris thinks that she may have found just what she had been looking for when she fell for Brian, but she was proven unlucky again when she finds out that he is engaged to another woman. After taking a break from relationships, Kendall meets video director Trenton Giles. After falling for him, she soon learns that sometimes a person's past could become product for a dangerous present. This is a tale of young individuals who find themselves tied into a seductive web of sex, lies, and deceit. They will soon learn that smiling faces don't always carry good intentions. Things may look good on the outside looking in, but you could never be sure of the things that occur behind closed doors.
