Saving the world is all in a day's work.

No one notices temps—even high-level corporate ones. It's the perfect cover for Sabrina Fox's mission of national security. No one will ever suspect that the new personal assistant is really a highly skilled agent assigned to intercept top secret codes before they reach the enemy—.

Unless the Dragon blows her cover... Eric Drake, aka the Dragon, taught Sabrina everything she knew about spying, then taught her the meaning of treachery. Turns out he and Sabrina are after the same target.

As ruthless operatives seek to stop her at all costs, Sabrina must decide—dare she trust Eric again, or will he betray both her heart and her country this time?
