Take "Snorkel Kauai", along with a good general guidebook of your choice, and you'll have all the details you need for a great vacation! In this expanded and updated 2nd edition, Snorkel Kauai is even better, with full color maps, as well as beach and fish pictures. From a colorful cover to 41 accurate maps and details on 69 snorkeling sites, SK draws you into the fascinating underwater world that shouldn't be missed by anyone touring Kauai. As Dave Barry says: "When you finally see what goes on underwater, you realize that you've been missing the whole point of the ocean-- it's like going to the circus and staring at the outside of the tent." An award-winning book designer contributed a sophisticated, yet readable style to the cover and interior. The dramatic cover features a green sea turtle being cleaned by yellow tangs. Snorkel Kauai is the third in a series of guidebooks that provide more detailed snorkeling information than ever before available for each of the Hawaiian islands in an attractive, easy to carry package. "Snorkel Hawaii: The Big Island" (2nd edition), also available from Amazon.com, provides the same detailed coverage of Hawaii's biggest island. "Snorkel Maui and Lanai" is the second edition of this popular guide, revised and enlarged. Our website, snorkelguides.com, provides detailed updates when available and more.
