The heroine of *Where I Belong* is back in *The Art of Goodbye*, a romantic digital original novella about first loves and second chances.

It's Corrinne Corcoran's last night in town before heading off to college, and she's determined it'll be the most epic night ever. She's planned every detail of each hour of the night, from what dresses she'll wear, to what parties she'll hit, to which of her best friends will be with her. But Corrinne's perfect plan for her last night in New York goes awry when she runs into a ghost from her past, and the boy she's never been able to forget—her ex-boyfriend, Bubby, from *Broken Spoke*. And Corrinne starts to wonder if her expertly planned goodbye to New York City was as perfect as it seemed. . . . Set over the twelve-hour period before Corrinne sets off for college, *The Art of Goodbye* will make you believe that true love can find you when you're least expecting it . . . again.
