A Richard Rohmer Omnibus

Richard Rohmer

A Richard Rohmer Omnibus Richard Rohmer

This volume combines three of Richard Rohmer's best-selling novels in one book. *Ultimatum*, *Exxoneration*, and *Periscope Red* are all fast-paced, incisive novels in which Rohmer makes fiction read like fact. They are chilling visions of a world of military conflict, legal and political entanglements, and Canada's role in domestic and international spheres. The issues inside are just as important to Canada today as they were when the books were written. In all of these works, Rohmer demonstrates his insider's knowledge of the energy industry and the military, and his master storyteller's ability to bring it alive.
