**El deseo, enorme cicatriz luminosa. Ensayos sobre homosexualidades latinoamericanas (Ensayos Criticos / Criticism Essays) (Spanish Edition) Daniel Balderston**

La cicatriz elabora su propia economia y su propia dialectica. No remite a un nombre propio, sino mas bien a una constelacion, a un circuito que va desde el modernismo que pervierte su propia aficion por lo prohibido hasta la vanguardia intransigente que esgrime la sexualidad normativa como arma de combate. Estos ensayos sobre Borges, Puig, Donoso, Fernando Vallejo y Osvaldo Lamborghini, entre otros, recorren los episodios de una historia multiple que pretende esconder o escamotear la sexualidad como tema en la literatura latinoamericana. Si no existe o si no ha existido un estado de derecho para la homosexualidad en America Latina, no por ello hay que negar el cicatrizado aporte que la zona homosexual le ha ofrecido al plano literario del continente. JOSe QUIROGA.
