Farthest House Margaret Lukas

When Willow is born and her mother dies moments later, only the narrator of this spellbinding debut novel knows the death isn't from complications of childbirth. Amelie-Anais, buried on the Nebraska hilltop where the family home resides, tells the story of deceit, survival, and love from beyond the grave. Following Willow's life and Willow's incredible passion to paint despite loneliness, a physical handicap, and being raised by a father plagued with secrets, Amelie-Anais weaves together the lives of four enigmatic generations.
