HALFTIME HUSTLER, is an inspirational true story about Ralph's life after being faced with 350 years to life in prison and how it changed his life forever. It's about how he has overcome the adversity of his test of trials and suffering and was able to turn his life around for the better. With a God given talent for Basketball, it is his great hope that by sharing his personal journey, it will reach large groups of people in need and help provide them with inspiration and assurance that no matter how bad things may seem at the time, God will always open a door or a window.

God has opened a grave of failure to prove to him that he can have a decent life after incarceration. Part of the decent life includes knowing who you are and where you are going. We are all scattered survivors out here wanting and hoping for a Second Chance! Lazarus, the resurrected second-timer, set a pattern for every scarred survivor who came after him. Ralph, like him, is an ambassador of hope for every person who ever needed or dreamed of a second chance! His flame of life was reignited by the breath of the Savior and he experienced rebirth after death. We are "Proof Positive" that God can produce a "Comeback" for every mishap. What would you do if you were put through the "Test"? How would you live your life once you experienced something so devastating and have been revived to tell about it?

WITHOUT FAITH, IT IS IMPOSSIBLE TO PLEASE GOD. Hebrews 11:5-6
