National Treasure (Pop Classics) Lindsay Gibb

In defense of Nicolas Cage — the man and the meme — a debate-sparking actor who audiences seem to love and loathe in almost equal amounts

Nicolas Cage: leading man or character actor? Action hero or goofball comedian? Internet joke or one of the greatest actors of his generation? Beyond the gif bait and easy punchline, Nicolas Cage continually frustrates easy categorization or understanding. In National Treasure, pop culture writer Lindsay Gibb studies Nicolas Cage's acting style and makes sense of the trajectory of his eclectic career. In the process, Gibb debunks the common claim that Cage makes bad choices.

While his choices of roles are seemingly inscrutable, Cage challenges critics and audiences alike by refusing to be predictable or to conform to the Hollywood approach to acting. Much like one of his mentors, David Lynch, Cage aims for art in movie-making. Is there a method to his madness? Is he in on the joke? In this clear-eyed and well-argued volume of the Pop Classics series, Gibb answers both questions with a resounding *hell yes*.
