Scythe Neal Shusterman

Two teens are forced to murder—maybe each other—in the first in a chilling new series from Neal Shusterman, author of the *New York Times* bestselling *Unwind* dystology.

In a world where disease has been eliminated, the only way to die is to be randomly killed (“gleaned”) by professional reapers (“scythes”). Citra and Rowan are teenagers who have been selected to be scythe’s apprentices, and—despite wanting nothing to do with the vocation—they must learn the art of killing and come to understand the necessity of what they do.

Only one of them will be chosen as a scythe’s apprentice. And when it becomes clear that the winning apprentice’s first task will be to glean the loser, Citra and Rowan are pitted against one another in a fight for their lives.
