Defending Against Insurance Fraud Claims: Leading Lawyers on Representing Insurers in Investigating and Preventing Fraudulent Activity (Inside the Minds) Multiple Authors

Defending Against Insurance Fraud Claims provides an authoritative, insider's perspective on best practices for aiding insurers in handling fraudulent claims. Featuring partners from some of the nation's leading law firms, these experts offer strategies for establishing and implementing successful research and investigative techniques, as well as assisting insurers in preventing fraud in the future. These top lawyers provide advice for consulting experts in the field, preparing for and conducting an examination under oath, and effectively collecting and presenting key evidence. From identifying helpful resources to requesting appropriate information, these authors discuss the increasing importance of using technology and social media in the initial research process and how it can ultimately affect the outcome of a case. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving area of law.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.

Chapters Include:

1. Michael G. Gee, Partner, Porteous Hainkel and Johnson LLP, "Working with Your Client to Achieve a Successful Outcome in an Insurance Fraud Case"
