Have you ever gone into a doctor's office and come out feeling like a laboratory project rather than a human being? This book offers a refreshing perspective.

In Dr. Daniel's forty years in the medical community, he has discovered an important truth: people find more *complete* healing when treated as integrated persons - with minds as well as bodies, emotions as well as muscles, spirits as well as skin.

Through real-life stories and insightful studies, Fountain uses his experience to explore a *balanced* relationship between faith, medicine, and ultimate spiritual hope.
