Granny D's American Century Doris Haddock, Dennis Michael Burke

With her walk across America at the age of 90, New Hampshire native Doris Haddock entered the national consciousness as “Granny D,” a candid and feisty champion of commonsense populist politics. Four years later she ran for the U.S. Senate against the usual entrenched big-party interests—and lost. In the meantime, she became a cause célèbre, and an example of the kind of politics that puts people first. *Granny D's American Century* is the story of Doris Haddock both before and after these events: as a young woman whose bedrock New England values were tested during the Great Depression, and as a no-nonsense nonagenarian putting those values to work in the causes of voters' rights, women's rights, and campaign finance reform.

Written in a clear, unsparing prose, *Granny D's American Century* is a warm reflection on a life well lived, and a clear and spirited call for virtue in American civic life.
