The Lactation Specialist Self Study Series is a comprehensive text designed for students and professionals who work with mothers and infants. The series is divided into four modules based on the competencies published by the International Lactation Consultant Association and has well defined sections for study that use multiple choice pre and post tests to assist the learner in self evaluation of material comprehension and retention. The series can be easily adapted to a classroom setting for the development of lactation college courses or for continuing education workshops. The series will prepare the professional for the certification examination to become a lactation consultant.
