From the inception of the Milwaukee County Zoo at West Park in 1892, the citizens of Milwaukee have worked diligently to make it one of the finest zoos in the country. Their tireless effort and faith were rewarded. The zoo experienced many firsts, including the first polar bear born in captivity in North America, and was home to Samson, one of the largest gorillas in captivity. Throughout its history, the zoo also gained fame for innovative exhibit design. The zoo has flourished through the cooperation of Milwaukee County and the Zoological Society of Milwaukee. This public-private relationship has existed successfully since 1910.
