Shamanic Egyptian Astrology: Your Planetary Relationship to the Gods

Linda Star Wolf, Ruby Falconer

Shamanic Egyptian Astrology: Your Planetary Relationship to the Gods Linda Star Wolf, Ruby Falconer

Integrates the Egyptian pantheon, the ancient language of astrology, and shamanic practices

- Links each of the planets and signs in Western astrology with its Egyptian counterpart, such as Leo with Anubis
- Includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life
- Offers a shamanic way to interpret natal horoscopes

Shamanic Egyptian Astrology integrates the Egyptian pantheon, the ancient language of astrology, and shamanic practices to promote a new way to interpret and work with natal charts. Revealing the cross-cultural mythology and astrological significance of the individual Egyptian gods and goddesses, the authors link each of the 12 zodiac signs and 11 celestial bodies of Western astrology with its Egyptian ancestor, introducing new significance to their positions and interactions in a horoscope. For example, Leo is linked with Anubis and Taurus with Hathor. Venus is associated with the goddess Isis and Jupiter with Horus.

Each chapter includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life--such as calling on Sekhmet for action or Thoth for clarity. With sample interpretations of the charts of Barack Obama and Gloria Steinem, this book provides a practical framework for accessing the wisdom of ancient Egypt and offers astrological and shamanic tools for spiritual guidance and the coming shift in planetary consciousness.
