The Beer Wench's Guide to Beer: An Unpretentious Guide to Craft Beer Ashley V. Routson

Pull up a stool and learn about beer with the Wench!

Craft beer is officially everywhere: there are now more breweries in the United States since any time before prohibition. At the local grocery store, the beer aisle is as big as the cereal aisle. At the bar, it's increasingly hard to choose a beer--the IPA is stronger than the ESB, right?

In this book, Ashley V. Routson (aka The Beer Wench) provides the first all-in-one guide that demystifies beer *and* makes learning fun. She'll quickly bring you up to speed on beer styles, the brewing process, how to taste beer like a pro, and how to pair beer with food. Unconventional tastings, delicious recipes from killer craft breweries, eye-catching photos--and, of course, plenty of beer--means there's never a dull moment.
