**Cases and Materials on Federal Courts (American Casebook Series)** Michael Wells, William Marshall, Gene Nichol

The distinctive feature of this Federal Courts casebook, and the main difference between it and other Federal Courts books, is its systematic focus on remedial issues, especially the problems that arise when a litigant tries to enforce federal constitutional rights against state or federal governments and officers in the federal courts. Departing from the traditional approach of Federal Courts books, we begin with a chapter on section 1983 litigation. The book stresses economy of means, clarity of presentation, and attention to the real-world Federal Courts issues that students need to understand and anticipate. This edition covers the major cases decided by the Supreme Court over the past four years, either as principal cases or in the notes. The new Supreme Court decisions include *Connick v. Thompson* and *Lane v. Franks* (chapter 1), *Minneeci v. Pollard* (chapter 2), *Gunn v. Minton* and *Mims v. Arrow Financial Services* (chapter 3), *Already LLC v. Nike, Inc.*, *Camreta v. Greene*, *Chafin v. Chafin*, *Hollingsworth v. Perry*, *United States v. Windsor*, and *Zivotofsky v. Clinton* (chapter 4), *Sossamon v. Texas* and *VOPA v. Stewart* (chapter 5), *Smith v. Bayer*, *Sprint Communications v. Jacobs*, and *Susan B. Anthony List v. Driehaus* (chapter 6), *White v. Woodall* and *McQuiggin v. Perkins* (chapter 9), and *Stern v. Marshall* (chapter 10). We have extensively revised chapter 4 (standing and justiciability) and chapter 9 (habeas corpus.)
